Native American Indian Sites In the East Bay Hills A Guidebook

James Benney

Explore the East Bay Hills of the San Francisco Bay Area and discover a world inhabited by our local native Americans for over 10,000 years. Many sites are virtually untouched since missionization, manslaughter and European diseases drove these people from their ancestral homelands just over 200 years ago. Respect the history.

60 pages + laminated cover – 5.5 x 8.5"
